AN ICON GETS A NEW ADDITION!

WE HAD AN IDEA—A VISION.

With the TB8000, we have made it a reality. We designed, calculated, optimized, and invested a lot of sweat. Countless meetings, discussions, and new approaches have led us to a result that inspires enthusiasm—a toolboard in a class of its own.

But we wouldn't be SW Stahl if we were to rest on our laurels. Our vision continues to grow—and with it our commitment to creating perfect working environments.

That's why we've expanded our Toolboard series! With the new TB4000 (available in two versions) and the compact TB2000, we now offer the full range of our Toolboards – from smart to high-end. Under the motto "form follows function," our claim remains the same: design and function thought through down to the last detail – for a working experience that inspires and motivates.

A SPECIAL HIGHLIGHT:

Our TB8000 toolboard won the Red Dot Design Award in 2025 – proof of its innovative strength, precision, and outstanding design.

TB8000 HIGHLIGHTS

TB8000

DRAWER SYSTEM

+

+

COMFORT IS A TOP PRIORITY.

The automatic closing mechanism ensures that the drawers close softly and silently.

+

BIG SHUTTER WITH LOTS OF POWER.

Our "Strong" model is equipped with 2 pairs of pull-out rails, enabling it to support up to 80 kg! This makes the drawer perfect for heavy tools.

TB8000

LET ME ENTERTAIN YOU

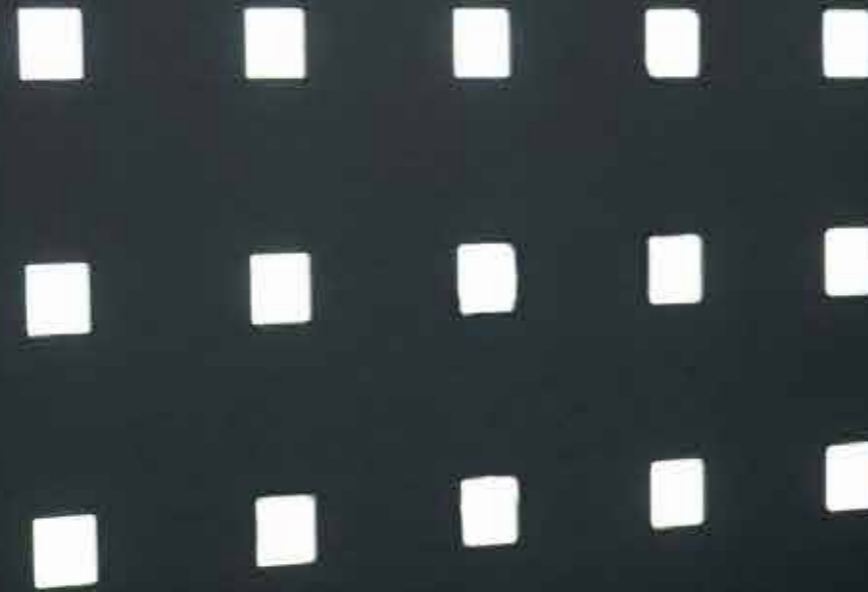

SW STAHL

SW STAHL

THE MULTIMEDIA BOARD.

Our multimedia board leaves nothing to be desired. In addition to a monitor mount, the board includes two 4" high-performance speakers with 160W output power. The perfect sound for your perfect work.

TB8000

ATTENTION TO DETAIL

+ INTEGRATED SOCKETS.

Our built-in power strip disappears behind a sliding cover when not in use. The power strip has three 230V outlets, one USB port, and one USB-C port. Ready for any connection!

TB8000 SPOT ON!

+ THE LIGHTING CONCEPT.

Our LED panels, with integrated touch button, bathe your TB8000 in the right light. The integrated skylight guarantees a perfect view of your work. And if you need more ambiance, the blue base light is just the right choice.

TB8000 INNER VALUES

AWARD-WINNING AND DISTINGUISHED
TOOL INSERTS.

What would our TB8000 be without our best tools? Fill your drawer cabinets with the tool inserts of your choice. Only the best tools from our company for you.

TB8000 AS YOU LIKE IT!

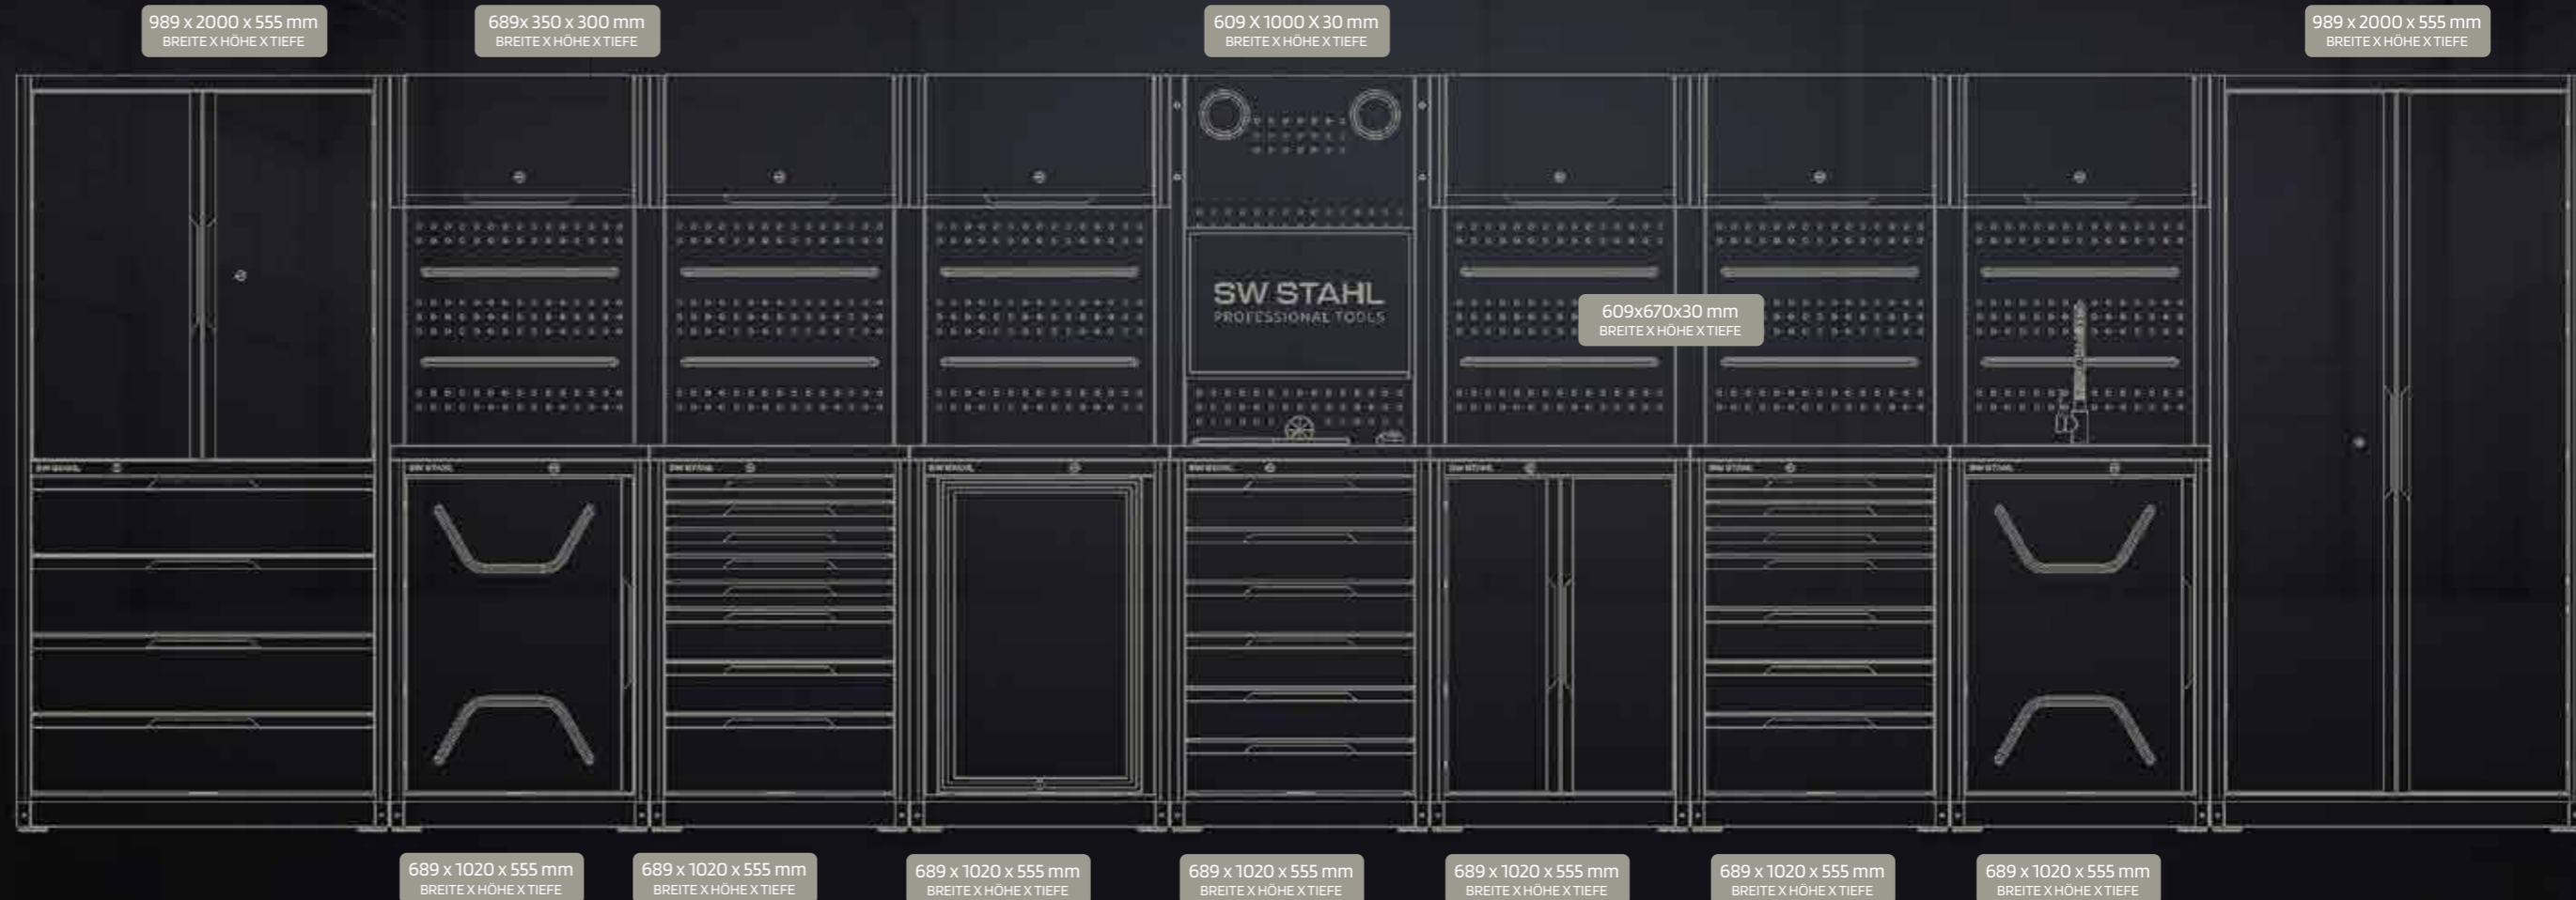

We have developed and designed our TOOLBOARD TB 8000 based on a modular system. Here, pure beauty and design meet absolute functionality and quality. The TB 8000 adapts to any given room. Set up a TB 8000 in such a way that it is the best partner for you and your work.

Whether straight against the wall, as a corner variant, or in a U-shape. Even if the space is still difficult, we will be happy to help you customize your TB 8000.

BECAUSE NOTHING IS IMPOSSIBLE!

EXPAND MODULE 700

TB8000 EXPAND MODULE 700

**+ A SPACE WITH DEPTH. A STAGE FOR PRECISION.
THE NEW EXPAND MODULE 700 FOR MORE WORK SURFACE.**

The TB8000 Toolboard from SW STAHL has ushered in a new era in workshop design. With the new TB8000 Expand Module 700, our vision of the perfect workshop has taken another step forward.

The new Expand Module 700 now offers a working depth of 700 mm – for more space, better ergonomics, and even greater freedom in planning.

Every existing and new TB8000 can now be extended to a working depth of 700 mm.

This is how you create exactly the workshop kitchen that suits your requirements: compact and spacious with more room for your performance.

**700 MM DEPTH THAT MAKES ALL
THE DIFFERENCE.**

**A STATEMENT OF DESIGN, FUNCTIONALITY
AND PASSION FOR DETAIL.**

WORKING DEPTH EXTENSION
700mm

- + Extension module for base cabinets with a worktop depth of 700 mm**
- + Height-adjustable feet with hexagon socket for quick adjustment**
- + Removable plinth for energy management and cleaning**

TB8000 STAND ALONE EXPAND MODULE 700

THE PERFECT ISLAND SOLUTION FOR YOUR WORKSHOP

TB8000 STAND ALONE

EXPAND MODULE 700

- + Connecting module for back-to-back installation of two base cabinets
- + Height-adjustable feet with hexagon socket for quick adjustment
- + Removable baseboard for energy management and cleaning

TB8000 ENERGY BOARD

+ POWER AND COMFORT IN ONE MODULE.

With the new Energy Board, SW STAHL is expanding the TB8000 workshop kitchen with an intelligent energy solution for the modern workplace.

Whether directly on the workbench or as part of a freestanding island solution, the Energy Board ensures an optimal supply of electricity and compressed air everywhere.

The add-on module impresses with its sophisticated design, maximum functionality, and unlimited flexibility.

The Energy Board delivers energy exactly where it is needed.

TB8000 ENERGY BOARD – THE SMART COMBINATION OF PERFORMANCE, DESIGN, AND EFFICIENCY.

- 01 Integrated power and compressed air connection for versatile use
- 02 Built-in socket with aluminum sliding cover – robust, elegant, and protected
- 03 3 × 230 V sockets, 1 × USB-A, and 1 × USB-C for all common devices
- 04 4 × compressed air connections for DN 7.2 couplings – perfect for professional applications
- 05 Can be expanded as required – for individual solutions and growing requirements

HAND SOAP DISPENSER, ON TRAY HOLDER, WITH HAND SOAP, 2 LITRES

Content Dispenser

- Perfect for 1 and 2 liter soft bottle refills
- Integrated viewing window for easy fill level monitoring
- Ensures hygienic and economical dispensing

Magnetic Holder for Hand Soap and Hand Cleaner Dispensers

- Strong magnet with a durable rubber coating to protect surfaces from scratches
- Ideal for the TB8000 and any magnetic metal surface
- Includes mounting accessories for the dispenser

Hand Soap – 2 Liters

- Eco-friendly skin cleansing lotion for removing light everyday dirt – ideal for use in offices, administration, light warehouse work, and packaging areas
- Gentle on the skin thanks to moisturizing and replenishing ingredients
- Also suitable for full-body use

Formula Highlights

- Made with carefully selected, premium-quality raw materials
- Balanced re-lipidizing system with glycerin derivatives
- Neutral color with a silky, pearlescent finish
- Skin-friendly pH
- Free from silicones
- Dermatologically tested and rated "Very Good"

HAND WASH PASTE DISPENSER, ON TRAY HOLDER, WITH HAND WASH PASTE, 2 LITRES

Content Dispenser

- Compatible with 1 and 2 liter soft bottles
- Integrated viewing window for easy monitoring of fill levels
- Enables hygienic and economical dispensing

Magnetic Holder for Hand Soap and Hand Cleaner Dispensers

- Robust rubber-coated magnet protects surfaces from scratches
- Perfect fit for the TB8000 and all magnetic metal surfaces
- Includes mounting hardware for secure dispenser installation

Heavy-Duty Hand Cleaner – 2 Liters

- Powerful formula effectively removes tough industrial dirt such as oils, greases, lubricants, dust, paints, inks, and more
- Cleans deep into the pores while being exceptionally gentle on the skin
- Enriched with natural re-lipidizing agents for skin protection
- Ideal for use in a wide range of industrial environments
- Suitable for individuals with sensitive skin

Formula Highlights

- Made from carefully selected, premium-quality ingredients – predominantly plant-based
- Contains finely ground, rounded walnut shell powder as a natural scrubbing agent
- Walnut shells are a sustainable byproduct, ensuring no competition with food production
- Does not clog drains – fully rinseable
- High content of coconut-derived ingredients for excellent skin rehydration after washing
- pH-skin neutral
- Free from silicones and solvents
- Dermatologically and allergologically tested on sensitive skin – rated "Very Good"
